• *Slovak Physical Society, Bratislava*

SCOPE OF THE CONFERENCE

APCOM provides a unique opportunity for experts in the field of applied physical research of condensed matter to come together and share their visions of future development in the area of application of devices for example in electrical and nuclear power engineering, electronic and optical communication etc. The main focus of the conference is on presentation of both theoretical and experimental results, partly also of both computer simulation results and specific measurement techniques in the investigation of physical properties and structure of bulk solids and structures, thin solid films, ultrathin organic polymer films, micro- and nanostructures *etc.*, exposed to the influence of wide-range specific external factors (electrical, magnetic, thermal, high-frequency electromagnetic waves, optical and ionized radiation, ion and elementary particles beams *etc.*).

MAIN CONTENT AREAS:

1. New materials and structures (incl. nanostructures and thin films), their analysis and specific applications.
2. Physical properties and structural aspects of solid materials and their influencing.
3. Optical phenomena in materials, photovoltaics and photonics, new principles in sensors and detection methods, applied optics and optical communications.
4. Nuclear science and technology (with emphasis on the influence of irradiation on physical properties of materials and radiation detection).
5. Computational physics and theory of physical properties of matter.
6. Biophysics and interdisciplinary physics of condensed matter.
7. Current Successes in the Photoemission and Electron Microscopy (*co-organised by R. Medlín, J. Minár, D. Lávička, UWB Plzeň, CZ and J. Krempaský, PSI Villigen CH*)

SCIENTIFIC PROGRAMME

Contributed (10-15 min) oral presentations including discussions and the poster sessions are planned. The preliminary scientific programme of the conference includes more than 60 contributed papers. The official language of all presentations is English. Each participant can present only one contribution.

GENERAL INFORMATION

Registration: Registration and lodging of participants will be provided at the registration desk, which will be opened at Hotel Patria, Štrbské Pleso on Tuesday, June 9, 2020 from 11:00 to 14:00 CET. Lunch at 12:00 to 14:00 CET. Opening ceremony preliminary at 15:00 CET.

Presentation facilities: A PC video-data projector (Microsoft® PowerPoint® 2003 or 2007 software is recommended) will be available for oral presentations. If you need some special equipment, hardware or software, please contact the conference administrator. Poster dimensions must not exceed A0 format (width 841 mm; height 1189 mm).

Social events: The *welcome party* will be held on June 9th at 20:00 CET. Either a mountain tourist walk and/or excursion in the vicinity are planned for June 10th from 13:00 to 18:00 CET. The *friendship party* (grill party) will be held on June 10th at 19:30 CET. Departure of participants on Thursday, June 11th at 13:00.

Venue: The conference will be held in Hotel Patria, High Tatras, Slovak Republic. It is located as a dominant building near the high-mountain tarn Štrbské pleso (1,355 metres above sea-level) at the mouth of Mlynická Valley, sensitively incorporated into the High Tatras landscape. It is named after the nearby peak Patria (in Latin: "fatherland"), 2,203 metres high. For details see <http://www.hotelpatria.sk>.

Transport information: Detailed transport information is on the conference webpage: <http://kf.elf.stuba.sk/~apcom/>

CALL FOR PAPERS

The conference participants will obtain Book of Abstracts at the registration desk. All accepted papers (**delivered strictly before April 25, 2020, in English only**) will be published in peer-reviewed Conference Proceedings through AIP Publishing (American Institute of Physics), indexed in leading databases, such as Conference Proceedings Citation Index (part of Web of Sciences), Scopus (Elsevier), Inspec etc. The online version of the Conference Proceedings will be published later, but surely in year 2020. Details for publication in Conference Proceedings are described below.

Instructions for publication in Conference Proceedings:

All complete texts of papers will be written in English according to **the template available on the conference webpage**. You can download it also directly from <http://aip.scitation.org/apc/authors/preppapers>. The authors are requested to submit the papers in electronic form of the camera-ready paper as a file written scrupulously according to the template in the text editor Microsoft Word (*.docx only) and also transferred to Adobe Reader Acrobat (.pdf format) to the e-mail address apcom@elf.stuba.sk by **April 25, 2020**. The program committee will send the copies to referees and supervise the reviewing process. Contributions received after this date may not be included in the Conference Proceedings. One main author can publish only one contribution in Conference Proceedings. We recommend writing your contribution directly to the template! **The contribution must have at most 4 pages.** *Caution:* the AIP template has "Letter" format not A4.

CONFERENCE FEE

The conference fee includes the registration fee, two-night accommodation (double and a limited number of single rooms are available) and full board fee. Registration fee includes conference materials, overhead costs, admission to all conference sessions and coffee-break refreshments, welcome party, friendship party and social programme.

<i>Registration fee</i>	<i>230 EUR*</i>
<i>Accommodation/full board fee</i>	<i>120 EUR (double room)</i>
Total	350 EUR**

* *Registration fee for PhD. students 205 EUR, total 325 € (in double room)*

** *For single room extra fee 90 €, total costs 440 €, for PhD. students total costs 415 €.*

For accompanying persons total fee 240 EUR (will be paid only in cash at the registration desk)

For payment realised after April 25 the registration fee will be increased by 30 EUR. If a registered participant fails to pay the fee by 15 May 2020, he will be removed from the list of participants.

Important: Each conference participant obtains an invoice at the registration desk (June 9th). To issue the invoice in the required form, please send the correct name and address of your institution and its VAT Number (Value Added Tax Number; IČ DPH in Slovak Republic) to the conference administrator by e-mail as soon as possible if you have not already done it in the Application Form.

ACCOMMODATION / BOARD ORDERING

After bank transfer you have booked the full board (June 9th to 11th) and two-night accommodation (June 9th and 10th) **automatically**. Please submit the information about delayed executing a bank transfer to the conference administrator (apcom@elf.stuba.sk) immediately.

In the case of any questions or suggestions, please contact the conference administrator by e-mail.
